Favorite Place at HM: The second floor of Katz Library

Favorite HM Core Value: A Balance Between Individual Achievement and a Caring Community

Why HM? Horace Mann is a community brimming with enthusiastic and dedicated students, committed and thoughtful faculty members, and a genuine love of learning. I am motivated every day by both the support and drive of my fellow classmates.

Favorite Off-Campus Experience: I will always remember the transformative experience I had on my 8th grade Dorr trip. Not only did I get to know new people and strengthen relationships with many of my friends, but I also learned a lot about myself. Dorr is also one of my favorite places to be.

Favorite Quotation: "Be kind whenever possible. It is always possible."-14th Dalai Lama
