**Favorite spot at HM:** Alumni Field when the weather is nice, and the second floor of the Library is so helpful when I need a quiet place to work.

**Favorite HM moment:** My favorite moment at HM was probably in 6<sup>th</sup> grade when we did an egg drop competition. All of the 6<sup>th</sup> graders designed contraptions that would prevent an egg from breaking after being dropped from 4 stories. It was so fun, and I ended up winning because my contraption weighed the least!

**Favorite TV Shows:** New Girl, House of Cards, and 30 Rock.
