Mahika at Service Learning Day

WHY HM? Horace Mann has the best community full of people eager to help anyone who needs it. Although we are encouraged to always be the best we can be, we are also taught to value others and be team players. Our classes emphasize group work and leaning on each other to succeed.

FAVORITE HM TRADITIONS AND EVENTS: Team Spirit, Homecoming, the Buzzell Games, and Service Learning Day

FAVORITE TV SHOWS: House, Grey's Anatomy, 90210, Pretty Little Liars, Criminal Minds, and White Collar

WHY I'M SO LUCKY TO GO TO HM: Our school genuinely wants to support and cultivate every sort of talent and interest that students have. We have amazing opportunities like a ski team, robotics team, and every sort of club you could imagine! The school is also constantly expanding on our facilities to provide the best kind of campus life for students that is stress-free and fun while conducive to learning.
