Biggest HM secret: I heard a rumor (from a librarian, herself) that we can check out Crazy Creek chairs and blankets from the library to use on Alumni Field!!!

Favorite Things to do at HM: 1. Pretend to work as I eat lunch and catch up with my friends in Katz Library. 2. Participate in grade-wide activities such as games of musical chairs, talent shows, and grade gatherings (especially when the events have free food!!)

Favorite Part of HM: The HM family. I love that every class, club, or team I'm a part of at HM is always filled with students and teachers who are genuinely excited about what they are learning, teaching, or simply sharing with others. Everyone is supporting and helping each other whether it's with conjugating that really challenging verb in Spanish class or cheering friends on at the annual HM Homecoming Football game.
