

Siddharth

Class of 2018

Location: Englewood Cliffs, NJ

First Year at HM: 6th Grade

Favorite Classes: Geometry, Atlantic World History, English, Chemistry, and Chinese

Activities: Novice Director of the Debate Team, Editor of *The Review* (our opinions and current events publication) and *BusinessMann* (our business publication), Member of the Community Council (our form of student government), and Varsity Squash.

Favorite Cafeteria Foods: Chicken Parmesan, Mac & Cheese, and Chicken Wings (spicy of course!)

Favorite Off-Campus Horace Mann Activity: My favorite off-campus HM activity would be going to debate tournaments across the country with my peers. Last year, I went to Kentucky for a tournament and it was an amazing feeling competing against teams from across the country while also becoming closer to my teammates.

Favorite TV Shows: *The Blacklist* and *Shark Tank*

Favorite Place on Campus: During the spring, I love to relax on Alumni Field with my friends. Soaking in the sun while playing Spikeball is always a blast.

Siddharth leading a demo debate.
