(a) The Corporation shall indemnify each Trustee, each officer who is also a Trustee and the Head of School, and may (but shall not be obligated to) indemnify any other person made, or threatened to be made, a party to any action or proceeding other than one by or in the right of the Corporation to procure a judgment in its favor, whether civil or criminal, including an action by or in the right of any other corporation of any type or kind, domestic or foreign, or any partnership, joint venture, trust, employee benefit plan or other enterprise, which any such individual served in any capacity at the request of the Corporation, by reason of the fact that the individual is or was a Trustee or officer of the Corporation or the Head of School, or served such other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise in any capacity, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees actually and reasonably incurred as a result of or in connection with any such action or proceeding or any appeal therein, or the defense or settlement thereof, if the individual acted in good faith, for a purpose which he or she reasonably believed to be in, or, in the case of service for any other corporation or any partnership, joint venture, trust, employee benefit plan or other enterprise, not opposed to, the best interests of the Corporation and, in criminal actions or proceedings, in addition, had no reasonable cause to believe that the conduct was unlawful.

(b) The termination of any such civil or criminal action or proceeding by judgment, settlement, conviction or upon a plea of nolo contendere, or its equivalent, shall not in itself create a presumption that any individual did not act in good faith, for a purpose which he or she reasonably believed to be in, or, in the case of service for any other corporation or any partnership, joint venture, trust, employee benefit plan or other enterprise, not opposed to, the best interests of the Corporation or that he or she had reasonable cause to believe that the conduct was unlawful.

(c) The Corporation shall indemnify each Trustee, each officer who is also a Trustee and the Head of School, and may (but shall not be obligated to) indemnify any other person made, or threatened to be made, a party to any action or proceeding by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that the individual is or was a Trustee or officer of the Corporation or the Head of School, or at the request of the Corporation is or was serving in any capacity any other corporation of any type or kind, domestic or foreign, or any partnership, joint venture, trust, employee benefit plan or other enterprise, against amounts paid in settlement and reasonable expenses, including attorneys' fees, actually and reasonably incurred as a result of or in connection with any such action or proceeding or any appeal therein, or the defense or settlement thereof, if the individual acted in good faith, for a purpose which he or she reasonably believed to be in, or, in the case of service for any other corporation or any partnership, joint venture, trust, employee benefit plan or other enterprise, not opposed to, the best interests of the Corporation, except that no indemnification under this Section 1 (c) shall be made in respect of (1) a threatened action or a pending action which is settled or otherwise disposed of, or (2) any claim, issue or matter as to which such person shall have been adjudged to be liable to the Corporation, except and only to the extent that the court in which the action was brought, or, if no action was brought, any court of competent jurisdiction, determines upon application that, in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such portion of the settlement amount or expenses as the court deems proper.

(d) For the purpose of Section 1 (a) and (c) of this Article X, the Corporation shall be deemed to have requested a person to serve an employee benefit plan where the performance by such person of his or her duties to the Corporation also imposes duties on, or otherwise involves services by, such person to the plan or participants or beneficiaries of the plan; excise taxes assessed on a person with respect to an employee benefit plan pursuant to applicable law shall be considered fines; and any action taken or omitted by a person with respect to an employee benefit plan in the performance of such person's duties for a purpose reasonably believed by such person to be in the interest of the participants and beneficiaries of the plan shall be deemed to be for a purpose which is not opposed to the best interests of the Corporation.

SECTION 2. Payment of Indemnification Other than by Court Award.

- (a) A person who has been successful, on the merits or otherwise, in the defense of a civil or criminal action or proceeding of the character described in Section 1 (a) or 1 (c) of this Article X shall be entitled to indemnification as authorized in such Section 1 (a) or 1 (c).**
- (b) Except as provided in Section 2 (a) of this Article X, any indemnification under Section 1 (a) or 1 (c) of this Article X, or otherwise permitted by Section 7 of this Article X, unless ordered by a court, shall be made by the Corporation, only if authorized in the specific case:**
 - (1) By the Board acting by a quorum consisting of Trustees who are not parties to such action or proceeding upon a finding that the Trustee or officer or the Head of School has met the standard of conduct set forth in Section 1 (a) or 1 (c) of this Article X or established pursuant to Section 7, as the case may be, or**
 - (2) If a quorum under subparagraph (1) is not obtainable or, even if obtainable, a quorum of disinterested Trustees so directs, by the Board upon the opinion in writing of independent legal counsel that indemnification is proper in the circumstances because the applicable standard of conduct set forth in such sections has been met by such Trustee or officer or the Head of School.**

SECTION 3. Advancement of Expenses.

(a) Expenses incurred in defending a civil or criminal action or proceeding shall (in the case of any Trustee, officer who is a trustee or the Head of School) and may (in the case of any other person) be paid by the Corporation in advance of the final disposition of such action or proceeding upon receipt of a written undertaking by or on behalf of the individual to repay such amount as, and to the extent, required by this Section 3. The right, if any, to have such payment of expenses by the Corporation is herein referred to as the “Right to Advancement.”

(b) All expenses incurred in defending a civil or criminal action or proceeding which are advanced by the Corporation under this Section 3 or allowed by a court shall be repaid in case the individual receiving such advancement or allowance is ultimately found, under the procedure set forth in this Article X, not to be entitled to indemnification or, where indemnification is granted, to the extent the expenses so advanced by the Corporation or allowed by the court exceed the indemnification to which the individual is entitled.

SECTION 4. Other Provisions.

(a) With a view to minimizing the cost to the Corporation of fees and disbursements of counsel representing persons seeking indemnification or advances of fees or disbursements of counsel and of assuring that fees and disbursements of counsel for which indemnification and/or the Right to Advancement are sought are reasonably incurred, it is the policy of the Corporation that, to the extent it is reasonable to do so, each person seeking indemnification or advances of fees or disbursements of counsel (I) shall use his or her reasonable efforts (x) to cooperate with, and to coordinate his or her defense with, other defendants in a litigation, and (y) to minimize unnecessary duplication of research and effort by separate counsel involved in the litigation, and (ii) unless there is a conflict of interest or it would otherwise be unreasonable, shall use counsel selected or approved by the Corporation, which may be the Corporation's counsel, counsel representing other parties to the litigation, or other counsel (the "Corporation Selected Counsel"). In furtherance of such policy, except as may otherwise be required by law or as may otherwise be authorized in accordance with the provisions of Section 2 (b) of this Article X no person shall be indemnified and/or have the Right to Advancement under Section 3 of this Article X in respect of any fees or disbursements of any counsel other than the Corporation Selected Counsel, unless such person furnishes written notification to the Corporation of his or her request for indemnification and/or the Right to Advancement ("Written Notification") which notification provides a detailed description of the claim against such person to the extent known, together with copies of documents which have been filed in any related court proceeding, and if indemnification or advances of fees or disbursements will be requested for counsel other than a Corporation Selected Counsel, the name of such other counsel and the reason, if any, why such person believes (I) that the Corporation Selected Counsel previously selected, if any, or a Corporation Selected Counsel to be selected has or may have a conflict of interest in representing such person or (ii) that any other person or entity represented by the Corporation Selected Counsel has or may have a conflict of interest with such person which makes it inappropriate for such Corporation Selected Counsel to represent such person. Except as may otherwise be required by law or as may otherwise be authorized in accordance with the provisions of Section 2 (b) of this Article X, if the Board or a committee of the Board established for such purpose (the "Special Committee") determines within thirty days of receipt of the Written Notification that no such conflict of interest exists, or that no such conflict of interest would exist with another Corporation Selected Counsel, (I) the person seeking indemnification and/or the Right to Advancement shall not be entitled to receive indemnification and/or the Right to Advancement in respect of any fees or disbursements incurred by such person (with respect to counsel other than the Corporation Selected Counsel) during the period prior to the date of the Written Notification or during the period commencing ten days after such determination by the Board or Special Committee, and (ii) if following such determination by the Board or the Special Committee, such person retains a Corporation Selected Counsel, such person shall

be entitled (to the extent provided in these By-Laws) to receive indemnification and/or the Right to Advancement in respect of any fees or disbursements incurred by other counsel from the period beginning on the date of the Written Notification and ending ten days after the determination by the Special Committee. Except as may otherwise be required by law or as may otherwise be authorized in accordance with the provisions of Section 2 (b) of this Article X, if the Corporation shall fail to designate a Corporation Selected Counsel for such person, such person shall be entitled (to the extent provided in these By-Laws) to receive indemnification and/or the Right to Advancement in respect of any fees or disbursements incurred by the other counsel, provided that, in connection with a litigation with respect to which two or more persons are seeking indemnification and/or the Right to Advancement, such person shall use counsel being used by another defendant (including without limitation, the Corporation) in the litigation unless there is a conflict of interest or such use would otherwise not be reasonable or not be possible.

(b) Any settlement of a matter for which a person will seek indemnification from the Corporation shall be subject to the prior written consent of the Corporation if such settlement will require the Corporation, or would have the effect of the Corporation being obligated, to pay any amounts pursuant to the provisions of this Article X.

(c) No indemnification, advancement or allowance shall be made under this Article X in any circumstance where it appears:

(1) That the indemnification would be inconsistent with a provision of the Corporation's charter, a By-Law, a resolution of the Board, an agreement or other proper corporate action, in effect at the time of the accrual of the alleged cause of action asserted in the threatened or pending action or proceeding in which the expenses were incurred or other amounts were paid, which prohibits or otherwise limits indemnification; or

(2) If there has been a settlement approved by the court, that the indemnification would be inconsistent with any condition with respect to indemnification expressly imposed by the court in approving the settlement to the extent the condition would make such indemnification impermissible under applicable law.

(d) If any expenses or other amounts are paid by way of indemnification, otherwise than by court order, the Corporation shall prepare a statement specifying the persons paid, the amounts paid, and the nature and status at the time of such payment of the litigation or threatened litigation and shall include the statement in the records of the Corporation open to public inspection if and to the extent required by applicable law.

(e) If any action with respect to indemnification of Trustees, officers or the

Head of School is taken by way of amendment of the By-Laws, resolution of Trustees, or by agreement, then a statement specifying the action taken shall be included in the records of the Corporation open to public inspection if and to the extent required by applicable law.

SECTION 5. Insurance.

The Corporation shall have the power to purchase and maintain such insurance as shall be permitted under Section 726 of the Not-for-Profit Corporation Law or other applicable law.

SECTION 6. Entitlement Rights.

All rights of indemnification provided for under this Article X shall inure to the specific individuals as well as their respective estates, heirs, devisees, successors and assigns.

SECTION 7. Non-Exclusivity.
