Class of 2023

From: Manhattan, NY

First Year at HM: The 3s (nursery school)

Why HM?: Horace Mann is my home away from home - academically, socially, and emotionally. Through its infinite amount of opportunities, Horace Mann highlights the ability to choose our own paths, which leads to proficiency in independence and the exploration of interests. No matter who you are or where you are from, there is a place for everyone at Horace Mann to fit in with all its resources to instantly make it a home, just as it is for me.

Favorite Classes: My favorite classes are very versatile: Anatomy, Intro to Psychology, and Geometry.

Activities: Some of my in-school activities include the Saturday Morning Tutoring Program, Middle Division Mentoring, Girls Varsity Lacrosse, HM STEAM Coalition, and the Autism Acceptance Club.

Favorite TV Shows: Superstore, Law and Order: Special Victims Unit, Bob's Burgers, Brooklyn Nine-Nine, Cutthroat Kitchen, iCarly, New Girl, and any crime documentary-style short series – if you could not tell, I do not stick with only one genre!

Favorite Spot on Campus: Alumni Field (the main grass field in the center of all the buildings) in the springtime! It is the best feeling when it finally gets slightly warmer outside and everyone sits with their backpacks as pillows.
