

Eddie

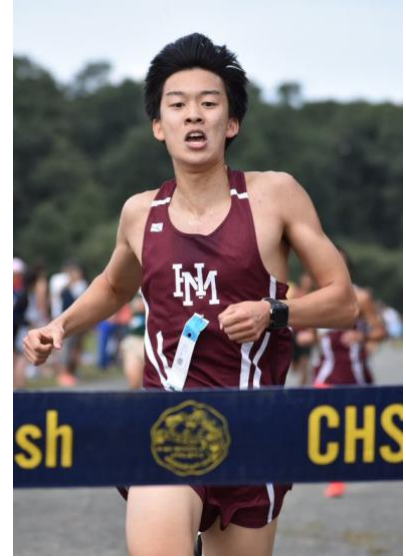

Class of 2020

From: Edgemont, NY

First Year at Horace Mann: 7th Grade

Favorite Class: English

Why HM? I love Horace Mann because of the people I've met. Everyone here is eager to learn and improve, which has motivated me to do the same. Our student body works tremendously hard to take advantage of the countless opportunities that we are blessed to have, whether in the classroom, writing for our clubs and publications, or on the sports field.

Activities: Horace Mann Debate Team, Varsity Cross-Country and Track Teams, Horace Mann Record, Student Ambassador, Soldiers' Stories Veterans Initiative, Wind Ensemble

Out-of-school activities: Triathlons

Favorite cafeteria food: Chicken tenders

Favorite TV show: *Brooklyn 99*, which is sadly on its last season.

Favorite spots on campus: The Fitness Center in Friedman Hall and Katz Library

Favorite school trip: 8th grade Dorr. At the end of Middle School, 8th graders are put into groups for a trip to the Dorr campus in Connecticut. This trip gives the students an opportunity to bond with students they might not usually interact with, in a setting outside of school and the city.

Most underrated thing about HM: I love the school assemblies. There are so many inspiring speakers and talented student performances to watch!
